T-Shirt Tithe Guidelines

Our T-Shirt Tithe program is an opportunity that My T-Shirt Statement (M.T.S.) has created for our customers to give back to their local church. The Lord has given us a vision not only to use M.T.S as a platform to change souls with clothes ,but also give back financially to the church. This is why we have created a way for every customer that purchases a product from M.T.S to donate 10% of their purchase to their local church. Your church can participate in this program that's absolutely free, but you must adhere to the following requirements listed below:

- 1.** You must be a non profit church teaching The Word of God. This program is specifically designated to the church. M.T.S is a Christian based organization that is not affiliated with any other religion. Our goal is to reach those who are not saved, uplift, and inspire those who are saved to grow closer to the Lord.
- 2.** Complete the T-Shirt Tithe application
- 3.** Promote the T-Shirt Tithe program in your church. Our purpose is to advance the kingdom of God by getting as many people saved through our innovative t-shirt statements. To achieve this we need the help of all our brothers and sisters in the God's Kingdom. By promoting the program in your Church this will give you a better chance of increasing the amount donated from the T-Shirt Tithe program and it will help spread the t-shirt ministry. Here is a quick example of the amount your church can earn. If 100 t-shirts are purchased by your members who wish to donate then your church has an opportunity to earn \$200. Listed below are a few ways that will help spread the t-shirt ministry and help you build your T-Shirt Tithe account.
 - **Promotional materials-** Passing out M.T.S. newsletters, flyers, and blessing cards to your church. As members enter or leave the church you can simply give them a free M.T.S. newsletter, blessing cards, or flyer to promote the program. ou can download and print promotional materials from the on our website at www.mytshirtstatement.com
 - **M.T.S. Newsletter-** When you join the T-Shirt Tithe program we will send M.T.S. newsletters, flyers, and blessing cards to that you can use to promote in your church
 - **Church Announcements-** This is not required but suggested. If you would like you can make an announcements about the program to your congregation. This is a great way to let your church members know that your church is participating in the program.
 - **Website link-** This is a very effective way to generate traffic to your church website and the M.T.S website. Add a link to your church website directing members to www.mytshirtstatement.com explaining your involvement with the program. We will add your church to our **Inspire to go Hire** page. By joining the M.T.S T-Shirt Tithe program

- your church will be entered in our database in the ***Inspire to go Higher*** section. This is where visitors to our site can type in their zip code and find a local Church in there area to help them increase their walk with Christ. Many times it is hard for people to find a church home. We have brief overview of your church that will help people feel welcome in becoming a part of God’s family by joining a local church in their area.
- ***Public Service Announcements-*** Public Service Announcements are usually *free* on church bulletin boards, computer bulletin boards, cable community access channels, the community section of the newspaper, and local radio stations community bulletin spots.
- ***Testimonies and word-of-mouth-*** This type of promotion is always the best. One of the most effective sources for personal testimonies would be those who have implemented the program--they can share with others how the T-Shirt Tithe program has blessed the church.
- ***Local newspapers-*** Local Newspapers are always looking for articles to cover in their publications. If invited, journalists will sometimes come and interview you asking about what’s new that’s happening in the church. While this is a great opportunity to promote the program theirs certain considerations to keep in mind when working with the media. The goal should always be to maximize your program exposure while still protecting your church from unexpected negative press. Therefore, if a news agency or representative contacts you for any information about your T-shirt Tithe Program you must contact My T-Shirt Statement immediately.
- ***Creativity-*** Feel free to be creative and make up your own ads and ways of promotion as well. Remember the goal is to spread God’s word and grow God’s Kingdom. God is not confined to one area and is not limited. So feel free to add in your own creative talents to spread the word.
- ***Prayer is the number one source.*** For your T-Shirt Tithe Program to be a success everything boils down to this. Everything we do is biblically based. With God's blessings, the word will get out.
